This the Radical scoundrel was unwilling to oc-cupy, demanding to be admitted to the cupy, demanding to be admitted to the coum in which the girls stept. Hereupon the Radical ex-official outlaw was forcibly ejected from the place, when he commenced an assault upon the windows and doors with stones, smashing the lights and demolishing everything in his way. On his departure, Mr. Thwait railied a posse and pursued the beast, overtaking and arresting him seven miles distant. He was taken to jail, but will doubtless soon be elevated to a cabinet office, which, under the criminal practices of grantism, he has so cumently merited. This fellow he has so eminently merited. This fellow is a specimen Radical.
